Safety is one of our top priorities and sometimes weather makes it impossible to operate safely. In the event of a snow, ice, or other weather-related emergency, service may need to be suspended until conditions improve. If a weather related emergency does occur, collection services will resume on the next regularly-scheduled service day, road conditions permitting.

COMPOSTABLE FLAT WEAR UPDATE:

Effective immediately Cayuga Compost has decided to begin in the acceptance of " All Natural Birch, Non-Coated Cutlery", only, under the following terms and conditions.

'Cayuga Compost, at any time, and at its sole discretion reserves the right to discontinue, alter or modify the acceptance of this or any other product, that we deem unsuitable for process at our commercial compost facility.'

This product may be purchased locally at B & W Supply, 510 Third Street, Ithaca NY.

HOLIDAY COLLECTION SCHEDULE

Our offices will be closed on Thursday 12/25/14 and Thursday 1/1/15. If your regularly scheduled collection day falls on or follows these dates, compost will be collected one day later that week.

Wishing you and yours a Wonderful Holiday Season.

At this special time of the year, we of the P & S Excavating/Cayuga Compost Family reflect upon the many wonderful opportunities we have had to meet new friends and to continue working with our many long term friends. Our relationship with you, our customer is something that we highly value and enjoy. Thank you for the opportunity to serve you during this year, and we look forward to continued friendship and service in the coming year.

SNOW AND ICE:

With the winter weather upon us, snow and ice can make compost tote pick-up a challenge. To help serve you better:

Please ensure that the Compost Tote will not be plowed in and/or covered with ice or snow.

Allow adequate, safe access to service your Tote.

Thank you, we appreciate your efforts
